

U5
Micro Size Field

The CVSA Tiny Tyke Soccer Program is for all children (boys & girls) who are of Pre-Kindergarten age (generally 4 years old). Teams will have a minimum number of players to ensure the kids get the most number of touches on the ball as possible.

The philosophy for this division is that practices are games and games are practices focusing on the fun aspects of soccer while learning valuable skills in running, dribbling and, ball control. There will be (2) practices per week, ~45 minute duration. One practice day will consist of learning new skills while the following practice will be a game, against another team at the same practice field, or against each other if there is only one team, where the children can demonstrate the skill they learned. See below for special rules for this age group.

At the end of the season we will organize a soccer festival (all for fun, no trophies or prizes) where all teams will play small-sided mini games (10 minutes each) against the other teams in the league.

The special rules of this age group are intended to DE-EMPHASIZE THE COMPETITIVE ASPECT of the game, and promote the fun element. Parents and coaches should keep in mind that these youngsters are very sensitive and need to be ENCOURAGED to learn the basics.
